“The journey with SMU was phenomenal and has enabled me to fulfil my personal goal and achieve career growth. The knowledge gleaned from the programme has improved the conversations I have with clients. In addition to broadening my thinking horizon, I also got to learn from my younger classmates who were adept at picking up the course content and the experience has enriched me as a person with their willingness to share.”

Angela Koh, Class of 2019
Executive Director, UBS

“The Master of Science in Wealth Management is an investment that puts you ahead of your peers, and equips you with relationship management skills that become a huge asset to any professional in the wealth management industry.”

Daniel Low, Class of 2014
Senior Director, DBS Private Bank

A UNIQUE GLOBAL EXPERIENCE

Students of the Master of Science in Wealth Management programme will have a unique tri-continental experience as they embark on study stints, not only in SMU but also in a top business school in the United Kingdom and the University of St.Gallen in Switzerland. Such study stints in our partner institutions enable our students to develop a global outlook and broaden their network with peers from different parts of the world. More importantly, they will get the opportunity to learn from and interact with distinguished faculty from these renowned institutions.

MWM TALENT DEVELOPMENT SCHOLARSHIP RECIPIENTS

“To embark on a journey of education later in life is never just about acquiring new skills or the opportunity to make new connections; it is also a personal challenge. Having heard so much about the rigour of the SMU MWM programme, I was both thrilled and terrified to have been accepted. The continued guidance and encouragement of the faculty were invaluable, making the journey worth it.”

Felicia Wee, Class of 2022
Chief Operating Officer, Corporate Services, Portcullis (Singapore) Pte Ltd

“Wealth management practitioners today face numerous challenges, from increased financial market volatility to changing regulatory requirements and a shift in demographics among clients. Continuous learning is key to be able to competently manage the increasingly complex and sophisticated demands of the industry and meet the needs of clients. The Master of Science in Wealth Management programme provides a holistic overview of the knowledge required of a wealth manager and it provides the platform for industry practitioners to share, learn and interact with each other.”

Lily See, Class of 2022
Team Head, Bank of Singapore

“I graduated from SMU’s MSc in Applied Finance in 2007 and MWM is my second master’s programme with SMU. I thoroughly enjoyed my time in SMU especially with its unique pedagogy and culture of strong student-professor interaction. I also benefitted from the strong support from the industry and practitioners, C-level executives who come in regularly to share their experience and knowledge with the class.”

Toto Tan, Class of 2022
Associate Director, Wealth Planning Manager, Citibank

“I chose the SMU MWM programme because it is amongst the top 3 programmes in wealth management globally. Discussions with fellow classmates conducted during our small-seminar style classes sharpened my knowledge on industry concepts. With the campus right at the doorstep of Singapore’s Central Business District, it is convenient for me to attend classes while working in my full-time job.”

Keeve Tan, Class of 2022
Managing Director (Greater China & North Asia), Bank of Singapore

SMU - IN THE HEART OF SINGAPORE, IN THE HEART OF ASIA

In the dynamic, cosmopolitan hub that is Singapore, you will find a vibrant city-state that pulses with the diversity of both East and West. Situated at the crossroads of the world, Singapore is home to multinational companies and thousands of small and medium-sized enterprises flourishing in a smart city renowned for its business excellence and connectivity. With its strong infrastructure, political stability, and respect for intellectual property rights, this City in a Garden offers you unique opportunities to develop as a global citizen.

Tapping into the energy of the city is a university with a difference – the Singapore Management University. Our eight schools: School of Accountancy, Lee Kong Chian School of Business, School of Computing and Information Systems, School of Economics, College of Graduate Research Studies, College of Integrative Studies, Yong Pung How School of Law, and School of Social Sciences, form the country's only city university campus, perfectly sited to foster strategic links with businesses and the community.

SMU generates leading-edge research with global impact and produces broad-based, creative and entrepreneurial leaders for a knowledge-based economy. Discover a multi-faceted lifestyle right here at SMU, in the heart of Singapore.

ABOUT THE LEE KONG CHIAN SCHOOL OF BUSINESS

SMU commenced its curriculum in 2000 with the School of Business, which welcomed its pioneer cohort of students in August 2000. In 2004, the Lee Foundation contributed S\$50 million to SMU in honour of the late Dr Lee Kong Chian, a well-known Southeast Asian businessman, philanthropist and community leader. In recognition of the Lee Foundation's generosity, SMU named in perpetuity the School of Business, the building and the university-wide scholars programme after Dr Lee Kong Chian.

Today, the Lee Kong Chian School of Business is a dynamic Asian business school with more than 5,000 students and over a hundred full-time faculty members with doctorate degrees from renowned universities such as Cornell, Harvard, INSEAD, London Business School, Wharton, Oxford, Stanford and Yale. The school offers undergraduate, postgraduate and doctoral programmes and is affiliated with a number of research centres such as the Sim Kee Boon Institute for Financial Economics and the Institute for Innovation and Entrepreneurship.
